

## HELP IS A PHONE CALL AWAY!!

The Clerk of Courts' Office is sensitive to the fact that some individuals may be struggling with their financial commitments, possibly even struggling to provide for basic necessities at home. If this applies to you, then the following list of resources in Summit County may be helpful. Detailed in this brochure are community partners that can help with employment (perhaps because of a criminal record), housing, clothing, groceries, utilities, healthcare, counseling, and recovery from addiction. Please contact these caring organizations if you need assistance.
